ACCORDATORE PER CHITARRA/BASSO

Accordatore dedicato per chitarra/basso con tre modi di accordatura differenti: Strobe, Mirror e Meter. Accordatura "dropped" da uno a cinque semitoni. Supporta le chitarre a 7 corde ed i bassi a 6 corde. Microfono a condensatore incorporato per chitarre acustiche.

Caratteristiche

- # A compact and unique high-performance dedicated guitar/bass tuner.
- # Choose from three different tuning modes: Strobe, Mirror, and Meter.
- # Quinta-flat tuning mode allows dropped tuning between one and five semitones.
- # Supports seven-string guitars and six-string basses.
- # Built-in condenser mic supports acoustic guitars.
- # Designed for low power consumption.
