PEARL S022 CORDIERA RULLANTE DA 14",  
ACCIAIO, 20 FILI

Pearl S022N 20-Strand Snare Wires will give a nice, even snare sound to any 14" snare drum for a great performance and solid feel.

The high-carbon wires used in the Pearl S022N are designed to offer extreme sensitivity and superior durability to last you through many performances.

If you find your snare losing its brightness or you just need a backup snare wire for when disaster strikes, the S022N is a top option. The S022N is a great all-rounder and another solid Pearl accessory that will last you countless rehearsals, recordings and shows.

**Product Features:**

20-strand wire

To suit 14" snare drum
