## EPIPHONE LES PAUL UKULELE CONCERTO - VINTAGE SUNBURST

Real Les Paul Styling in a Ukulele! Long known for its history of making great Les Paul guitars, Epiphone expands upon that knowledge and experience with the Epiphone Les Paul Acoustic Electric Ukulele. This great ukulele from Epiphone is sure to turn heads with its instantly recognizable single cutaway body, flame maple top, and classic pickguard.

### Epiphone Les Paul Acoustic Electric Ukulele

- Mahogany body with AAA flame maple
- Built in high-quality, piezo film pickup located under the saddle
- Mahogany neck and rosewood fingerboard with 19 frets
- 14:1 geared machine heads won't slip and holds their tune
- Concert sized ukulele
- Includes gig bag for easy transportation

Like a traditional Les Paul Standard, the Epiphone Les Paul Ukulele features a solid Mahogany body combined with a AAA grade flame maple top for great tone and great looks. The Mahogany neck features a comfortable D-profile shape and is bolted onto the body with 4-recessed screws for rock-solid stability and ease of service. The Les Paul Ukulele has a Rosewood fingerboard with 15 inch scale and 19 nickel/silver frets.
