CASCHA HH2062 PROFESSIONAL MELODICA  
BLACK

The Professional Melodica by CASCHA offers high quality at a fantastic price. Due to the simple playing technique it is especially suitable for beginners. In contrast to cheaper melodicas, the Professional Melodica by CASCHA offers a more powerful sound thanks to higher quality reeds.

You blow air into the melodica and play different notes by pressing the keys. The melodica is played with one hand and the mouthpiece. You can also place it on the table, connect the tube and play it with both hands at the same time.

Playing melodica can be learned quickly and easily. The present sound and the fast response ensure expressive playing techniques. The melodica is not only a children's instrument: experienced musicians can create impressive melodies with this wonderful wind instrument! The robust ABS plastic body and the high-quality reeds guarantee a long service life. The Professional Melodica by CASCHA can be easily and securely stored in the carrying bag. Whether used as an instrument at home or as a musical travel companion - melodicas by CASCHA guarantee hours of fun!
