TC ELECTRONIC SCF - STEREO CHORUS FLANGER

30+ And Just Warming Up

The SCF pedal is the TC Electronic epitome of awesome. It was a smash hit when it came out and then naturally progressed to an industry standard unlike anything after. Still used in every pro-studio and on countless pro guitarists' pedalboard, the SCF's beautiful sounds continue to define music.

- Chorus/Pitch Modulation/Flanger mode
- Mind blowing signal-to-noise ratio
- Used by countless pros including
