REMO CS-1320-10 CONTROLLED SOUND BASS 20
CLEAR BLACK DOT

The controlled sound® clear top black dot™ drumheads features focused midrange tones with a well-defined attack. Constructed with 1-ply of 10-mil clear film and a 5-mil top black dot™, controlled sound® clear black dot™ drumheads provide articulate attack and projection with added durability. The drumhead's outer area offers enhanced tone and sensitivity while the center black dot™ adds durability and overtone control. Available in sizes 6" – 40".

Specs:

Ideal for all playing applications
