JTS CX-505

Microfono condensatore a Clip , per strumenti a Percussione (Rullante , Tom , etc....)

Specifiche tecniche :

Type Electret Condenser

Frequency Response 60~18,000 Hz

Polar Pattern Supercardioid,rotationally symmetrical
about microphone axis, uniform with frequency

Sensitivity(at 1,000Hz) -70dB*(0.32mV)*0dB=1V/ μ bar

Output Impedance 4000

Phasing Positive pressure on diaphragm produces
positive voltage on pin 2 with respect to pin 3

Connector Three-pin professional audio connector
(male XLR type)

Net Weight 275 grams (10.2 oz)

Touch Noise. Super low

Power Supply 9-52V phantom power
