MODERN ELECTRIC BASS

Pastorius, Jaco
MODERN ELECTRIC BASS

A lost legend Jaco Pastorius has consistently topped readers' and critics' polls in music magazines throughout the world both for his superb bass playing and inventive compositions. On this DVD, check out several solo performances by Jaco as well as a duet with session great Jeremy Jemmott and a 20-minute performance featuring John Scofield and Kenwood Dennard. In an exclusive interview, Jaco Pastorius discusses his ideas about right- and left-hand techniques, harmonies, scales, arpeggios, study concepts, fretless bass, and more. Booklet included.

Special Features Include: A Closer Look At Jaco's Life' Learn About Jaco's Equipment Setup' Additional Preview of John Patitucci' Additional Product Previews' Bonus Video Tips' Internet Connectivity' Interactive Menus.
