MASTER SION

Malmsteen, YngwieMASTER SESSIONThe neo-classical showmanship and super-fast trickery that have made Malmsteen a cult hero are dissected in this DVD. Celebrated tutor and transcriber Wolf Marshall guides you through the techniques and tricks that make the Malmsteen approach so formidable, including alternate picking, arpeggios and pedal points. A further section discusses Malmsteen's Baroque-inspired tonalities and progressions. Includes a 20-page booklet of examples in Tab.
