EAST WEST QUANTUM LEAP GOLIATH

GOLIATH è un virtual instrument dotato di 32 gb di libreria che racchiude al suo interno oltre al già pluripremiato Colossus anche il famoso pianoforte Bosendorfer 290 e 8 Gb di nuovi campioni

Goliath include oltre 180 strumenti suddivisi a loro volta in oltre 600 patch comprendenti batterie, percussioni, chitarre, bassi, piani elettrici ed acustici, strumenti orchestrali, cori, strumenti etnici e synth di ogni genere.

Un vero best seller per chi vuole avere tutto a disposizione in un unico Virtual Instrument.
