SENNHEISER E845 MICROFONO DINAMICO
IPERCARDIOIDE

VOCAL MICROPHONE - DYNAMIC SUPER-CARDIOIDE

Dynamic super-cardioid vocal mic, which helps to reduce spill and feedback. Ideal for presentations, conferences, choirs, rehearsal rooms, and stage. Easily eliminates ambient noise. Superb high frequency reproduction.

Switch
On/Off 004516

Dimensions
Ø 46 x 185 mm

Connector
XLR-3

Frequency response (microphone)
40 - 16000 Hz

Transducer principle (Microphone)
dynamic

Weight
Without cable: 330 g

Pick-up pattern
super-cardioid

Sensitivity in free field, no load (1kHz)
1,8 mV/Pa

Nominal impedance

350 Ω

Min. terminating impedance
1000 Ω

Weight w/o cable
330 g
