STEINBERGER SPIRIT XT-2 STANDARD BASS -
FROST BLUE

XT-2: Nothing looks like a Steinberger and nothing performs like one either! The Spirit XT-2 is a 4-string bass featuring the same distinctive body-shape as the award-winning Steinberger XL Series and features the trademark headless neck with the patented Double-BallT tuning system. Add to that, a 3-piece hard Maple neck going completely through the body reinforced with an adjustable truss rod and this bass is not only stable, it's practically indestructible!\$%\$@#%\$#@#Other features include the patented Steinberger fixed bass bridge with direct-pull, 40:1 ratio machine heads, two (humbucker - humbucker) SteinbergerT bass pickups and folding leg rest for playing comfort while sitting. And the XT-2 is perhaps the world's most APICEtravel-friendlyAPICE and convenient bass ever made. It comes complete with a gigbag and, being only 38.5APICE in length, it can fit in places where other basses can't! If you're on a budget but still need and want an instrument with Steinberger features and performance, the Spirit XT bass is perfect for you. Steinberger - State of the Instrument.
