Collezione di campioni e preset

Designed by boutique sample creator Black Octopus, Modern Grooves is a high-end collection of samples and presets for producers and songwriters of all types. Modern but retro, crisp yet slick, Modern Grooves serves up full-fledged starting points for jamming out new track ideas. Prefer to start from scratch? We have you covered there, too. With 300 new audio samples and 40 Generator presets, there's plenty of rich material for customizing your own productions. Take a tour through Electro, Breaks, Deep House, House and more, then spice up any track that needs a lift. Get fresh beats for any genre with Modern Grooves. N.B.
