

## Wincent W-19A Bamboo wood

**20,40 € tax included**

Reference: W-19A

W-19A | W19A | hot rods | bamboo wood | wincent 19a  
|

The 19 A series is unique with its adjustable rubber ring. This allows the birch rods to be spread out or pressed together according to requirements, thereby achieving a softer or harder drum sound.

Length: 405 mm

Dia: 16 mm
