AMERICAN DJ ENTOURE ICE - MACCHINA FUMO BASSO

L'Entour Ice è una macchina da nebbia a bassa quota di livello turistico che crea una densa nuvola di fumo che rimane vicino al pavimento quando viene usata con ghiaccio secco. Viene fornito in una valigetta stradale con rotelle e dispone di controlli DMX e altri controlli a bordo, un cestello per il ghiaccio secco e un sensore di basso livello dell'acqua che spegne automaticamente la pompa.

L'Entour Ice è ideale per palchi, teatri, chiese, nightclub, luoghi di concerti e produzioni di eventi.

Features:

- Professional low-lying fog machine with road case and heavy-duty casters
- Massive fog output of 550 Sq M / 5920 Sq ft.
- Dual element heating system
- 4-section electronic temperature control system
- Average run time: 5 minutes
- Requires dry ice and water
- Water Level Sensor: pump automatically turns off when water is too low
- Dry ice consumption: 12 kg/ 3,5 min
- Water drain valve: recessed for protection located lower-front of case

- 10-hour holding time of cooler box

Thermal:

- Max Ambient Temperature: 104 °F | 40 °C
- Max Surface Temperature: 140 °F | 60 °C
- Max Water Temperature: 80., 75., 70., 65.
- Initial heat time: 90 min @ 120V/ 45 min @ 230V

Control:

- 3 Operating Modes: built-in timer, manual, or DMX control
- 3 DMX Channel Modes: 1, 2 or 6 Channels

Connections:

- 3-pin & 5-pin locking DMX In/Out connections
- 2x Locking Power IN (1 Main, 1 Auxiliary)

Electrical:

- Power Voltage: 120V~230VAC / 50/60Hz (non-switchable)
- Dual Element Heating System: 2x 1450 Watts @ 120V/ 2x 3000 Watts @230V
- Power Consumption: (full) 3000 Watts @120V/ 6100 Watts @ 230V

Dimensions & Weight:

- Dimensions without case + wheels: 543 x 460 x 617 mm
- Dimensions with case + wheels: 546 x 463 x 632 mm
- Weight: (with wheels no case cover): 33 kg.
- Weight: (with case cover + wheels): 42,5 kg

- Water Tank Capacity: 32 Liters
- Dry Ice Basket Capacity: 12 kg.

Included Items:

- Entour Ice Machine with heavy-duty casters
- Entour Ice Hose : Fog conduction hose with hose clamps (1.5 m) and wide-mouth fog dispersion hose adaptor
- Tour-grade flight case
- 2x Locking Power power cables
- Product manual
