SOULDIER SADDLE GUITAR STRAP - LAREDO TUNDRA

SOULDIER SADDLE GUITAR STRAP - LAREDO TUNDRA

Souldier's take on the vintage Bobby Lee strap with a few upgrades. The leather pad is backed with suede for a solid grip and is extended to cradle both sides of your shoulder. Packed with shock absorbing rubber inlay that reduces discomfort with heavy instruments. Each strap can be worn with or without the belted tail extender. Leather wears beautifully as it ages. Enjoy.
